- Account balance is due in full before publication. Ads not paid in full before publishing are not guaranteed to run. A monthly finance charge of 1.5%, which is 18% per annum, will be charged on the unpaid balance of past due accounts. Customer agrees to pay reasonable attorney's fees and other costs of collection after default and referral to an attorney.
- All materials will be reviewed for acceptability. The publisher and the sponsor reserve the right to refuse any advertisement.
- Position of advertisements is at the discretion of the publisher unless the advertiser has specifically contracted and paid for a premium position.
- Advertisers assume all liability for all content (including text representation and illustration) of the advertisement printed and agree to indemnify, protect and hold harmless the publisher and the sponsor from any claim or action based on the content of an advertisement published.
- Orders are non-cancelable. If there is a problem with an ad, such as excessively late distribution, or quality concerns that are the publisher's fault, the publisher reserves the right, at its discretion, to either refund or make good any paid ad that does not run due to publisher error.

Print or Digital? We say both.

Digital magazines are not competing with print — they have their own, very solid place in the mix of marketing and communication campaigns. Digital publications are available on readers and phones, allowing for a different level of engagement that supports information bites, if you will, as opposed to the more immersive reading that happens with print. And readers have access to this digital content anytime, anywhere because most people are not far away from their mobile devices. Technology has enhanced the way we communicate with one another, find information and experience the world. And it has expanded the possibilities in publishing as well.

WHICH IS WHY KENTUCKY TRUCKER IS PUBLISHED IN BOTH PRINT AND DIGITAL FORMATS.

Kentucky Trucker offers these value added services to help you reach your target audience:

- A digital version of the publication — pdf, “flipping book” and a true built-out digital version for SEO and social media sharing
- A magazine website with your company logo, linked to your website and housing a multiyear archive of the publication
- An additional email distribution of the publication, so KTA members and magazine readers will enjoy the benefits of both print and digital experiences
